Stuart Computer Service recommends using these instructions for downloading and installing AxCrypt without adware:

Go to this link in your favorite web browser:

http://www.axantum.com/axcrypt/Downloads.html

Click on the link to the left of "Full Setup w/Open Candy" to download the setup program

<u>(Crypt</u> is file encryption software running on your PC or device.				
OS Type	Download	Description	Type	
32- or 64-bit	AxCrypt-1.7.3156.0-Setup.exe	AxCrypt 1.x	Full Setup w/OpenCandy	
32- or 64-bit	AXCryptzGo.exe	ахстурт т.х	Limited Portable	
32- or 64-bit	MaxCrypt2Go-Setup.msi	AxCrypt 1.x	Limited Portable Setup	
32- or 64-bit	AxDecrypt.exe	AxCrypt 1.x	Limited Portable Decryption Only	
The download AxCrypt via th by <u>selecting th</u> <u>checkbox</u> . You	s may include advertisement offers e <u>OpenCandy</u> network, or via <u>Soft</u> ie <u>'I do not accept</u> ' radio buttton at u must still accept license agreemen	s for additional onic Universal the offer scre nt in the first o	software to finance further development of Downloader. You may decline OpenCandy offer een, and Softonic offers by <u>unchecking the</u> dialog. Please read more <u>here</u> .	

Run the setup program and agree to the license

Since AxCrypt is free, adware will be installed unless you decline the adware. To decline the adware follow these instructions:

- Launch the file you downloaded
- Click the I Agree box on the License Agreement screen
- On the AxCrypt Setup screen, select Custom Installation, then deselect the check boxes then click Install
